WHAT CREATES SUCCESS?

A Willing Partnership

Meredith Hodges understands mules and donkeys like no one else. As the country's leading authority on mules and donkeys, and with a career spanning over 40 years as a trainer, champion competitor and author, Meredith's practical firsthand knowledge led her to develop **Training Mules and Donkeys: A Logical Approach to Longears**. This groundbreaking series covers the life of your equine—from foal to advanced levels—using a completely resistance-free approach. In addition, Meredith is available by phone or email to help you and answer all your training questions.

"It is impossible to overstate the importance of Meredith's accomplishments and the tremendous impact she has had on our industry."
— Richard Shrake

"No mule owner should be without these resources in his or her library or tack room."
— Leah Patton, Registrar, American Donkey and Mule Society

"Excellent books to be used over and over again by those who are committed to training mules and donkeys the right way."
— Sue King, North American Saddle Mule Association

"Meredith's training videos are so detailed and she's so accessible that it's like having a private coach."
— Scarlet Bellmore, student, Nunn, Colorado
